|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------|
| PL                                                                                                                                                                                                   | Czyszczenie należy wykonać wyłącznie za pomocą ściereczki lub lekko nawilżonego ręcznika. Nie stosować środków czyszczących do szorowania.         |
| CZ                                                                                                                                                                                                   | Čistění je nutné vykonávat výhradně pomocí utěrky nebo lehce navlhčeného ručníku. Nepoužívejte čisticí prostředky obsahující abrazivní částice.    |
| D                                                                                                                                                                                                    | Bitte nur mit einem Staubtuch oder leicht feuchtem Lappen reinigen. Keine scheuernden Putzmittel verwenden.                                        |
| GB                                                                                                                                                                                                   | Please only clean with a duster or a damp cloth. Do not use any abrasive cleaners.                                                                 |
| F                                                                                                                                                                                                    | Le nettoyage se fait uniquement à l'aide d'un torchon ou d'une serviette légèrement mouillée.                                                      |
| HU                                                                                                                                                                                                   | A tisztítás kizárólag törölruha vagy enyhén nedvesített törölköző segítségével végezhető. Súroló hatású tisztítószerket nem szabad használni.      |
| I                                                                                                                                                                                                    | Pulire esclusivamente con un panno o un asciugamano umido.                                                                                         |
| NL                                                                                                                                                                                                   | Reinig alleen met een stofdoek of een lichtjes vochtige doek. Gebruik geen schurende poetsmiddelen.                                                |
| RU                                                                                                                                                                                                   | Очищайте от пыли тряпкой или слегка влажной ветошью. Не допускается применение чистящих средств, не предназначенных для ухода за мебелью.          |
| RO                                                                                                                                                                                                   | Curățarea trebuie efectuată numai cu o cârpă sau cu un prosop ușor umezit. Nu utilizați agenți de curățare abrazivi.                               |
| SK                                                                                                                                                                                                   | Čistení je nutné vykonávat výhradně pomocí utierky alebo ľahko zvlhnutým ručníkom. Nepoužívajte čistiace prostriedky obsahujúce abrazívne častice. |
| TR                                                                                                                                                                                                   | Lütfen sadece bir toz beziyle veya hafif nemli yumuşak bir bezle siliniz. Aşındırıcı temizlik malzemeleri kullanmayınız.                           |

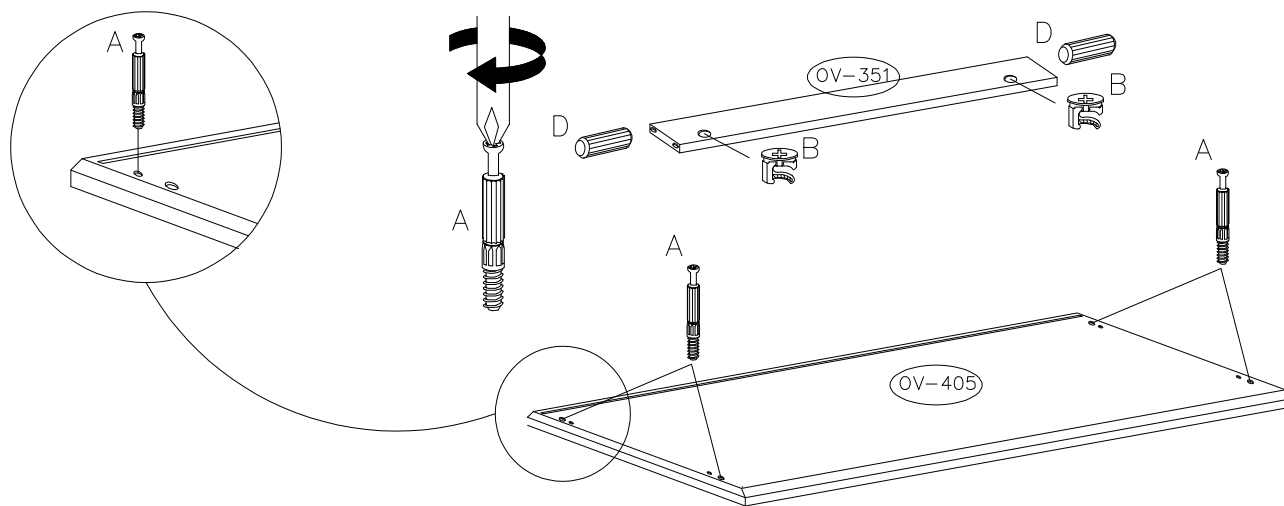

|                                                                                           |                                                                                             |                                                                                            |                                                                                          |                                                                                           |                                                                                            |                                                                                            |                                                                                             |

This exploded view diagram illustrates the assembly of the unit. The central component is a rectangular frame (OV-105) with a horizontal bar (OV-106) attached to its top. Four vertical bars (OV-005) are shown being inserted into the frame. The top panel (OV-405) is shown being attached to the top of the frame, and the bottom panel (OV-406) is shown being attached to the bottom. Arrows indicate the direction of assembly for each component.
