Glue free installation. Simple and quick!

AC 4

EN 13329-32

Acclimatisation:

The sealed packs must be stored for 48 hours in the room where they are to be laid under the following conditions:

- unopened, sealed packs
- flat on the floor with a least 50 cm space between packs and walls
- room temperature > + 18 °C
- floor temperature > + 15 °C
- relative air humidity between 40% and 70%

Do not open packs until you are ready to install the boards!

Laminated floorings are not suitable or guaranteed for installation in areas subject to a high degree of moisture, for example: bathrooms.
