Tips og triks

Tips and tricks

01 **Bruk en baufil i god kvalitet for enklere og penere snitt**

Use a quality hacksaw with a new blade for easier / nicer cuts

02 **Noen kappe- og geringssager er også anvendelige med raskt og nøyaktig snitt**

Some miter saws are also useful, with fast / precise cut

03 **Topphjulene må sitte stramt - anbefaler å bruke lim**

Top wheels should sit tight - We recommend use of glue

Patenterte skyvedørssystemer og garderobeløsninger
