

**KEEPS®**

YOUR HOME IS YOUR CASTLE

*With more than a century of experience in secure storage solutions, Kaso brings you the S-series of its award winning KEEPS® product range. It combines bank-class protection level with our visionary, aesthetically designed security concept for modern homes.*

KEEPS® enables you to store all your valuables and irreplaceable things safely and perfectly organised, while being at your disposal 24 hours a day.

The S-series KEEPS® is built exclusively for you – inside and out. Every single product is hand-made and approved by a certified locksmith. You can fully customize your KEEPS® S-series

interior shelf layout to meet your personal secure storing needs for many years to come. The S-series is also painted with an extra-fine, metallic colour of your choice. KEEPS® fits seamlessly into your decor or you can choose to make it the centrepiece of your home.

The S-series has been tested in Europe's leading test facilities. Thanks to its vault-grade door,

body and locking mechanism, it is an ideal protector against burglary, fire and natural disasters. It safekeeps the things you personally value the most: private documents, your family's essential items as well as jewellery and artwork. The highly user friendly KEEPS® is available with a programmable, multi-key code electronic lock or a mechanical key lock.

*KEEPS® product range has plenty of alternatives for your safe storing needs.*
