

Versatile wet and dry vacuum cleaner – use it indoor and outdoor

The exclusive Push&Clean semi-automatic filter cleaning system from Nilfisk is featured on all of the Multi machines – you only have to push a button and the filter is cleaned in a few seconds. The quick park feature means that you quick and easy are able to place and store the extension tube in a unique and specially developed holder on the machine. The days where you spend half a day blowing up your rubber boat are gone – now it only takes about 20 seconds – thanks to the automatic blow function. And if you from time to time need to suck up water from your basement or from the floor, this machine is a must – use the same filter for water and dry dirt.

- Push&Clean semi automatic filter cleaning means it takes only seconds to clean your filter, ensuring continued high performance.
